2. PUBLIC COMMENT

Ann, disabled citizen and grandmother. Wants to speak on behalf of a gentleman who is injured and was in Marines. He appreciates having the bus system due to his inability to walk from his injury. He uses the bus to go to church when he can, however some functions are on evenings and Sunday, but the bus does not work on those times.

I use the bus with the bus pass for doctor appointments, school, recovery issues, marketing. We speak highly of the bus system and would be a detriment to the community if any of the current routes are cut back or dissolved. When you ride in a bus, you feel the bumps in the road. I want to pitch any finance for that.

Citizen: a City is only as good as its transportation. We need the bus to run on Saturday's. I am a bus rider for 3-years. If we can have our bus run until 6pm it would be wonderful. Lots of people get off work at 5pm or 5:30pm and could use the 6pm bus. Saturdays would be great also.

- CITIZENS WERE ADVISED THE MEETING THEY NEED TO ATTEND IS LATER IN THE DAY. ALL COMMENTS PROVIDED TODAY WILL BE TAKEN TO THAT MEETING BY STAFF.

Public Comment closed at 10:15am

Public Comment reopened at 10:27am.

PUBLIC COMMENT CONTINUED: Kalla Huffman-Smith, residence service coordinator for Villa Columba. Transportation is a big issue in the County and there are residence who have doctors out of the County with no transportation. They pay out of pocket on a limited income going on these trips.

Karen Hurley steady rider on bus. I agree with extended hours and even one Saturday.

Peggy, citizen discussed her needs for going to doctor appointments using the bus.

Justin, of Corning, has to travel back and forth to Red Bluff. Recently I have to take my bike. The racks are sometimes full. Maybe they need more.
